Please read the Terms and Conditions and the Personal Data Protection Policy carefully before using this website. When you use this website and submit orders through it, you are agreeing that you are being bound by these Terms and Conditions and our Personal Data Protection Policy . For this reason, you must not submit any order if you do not accept all of the Terms and Conditions and the Personal Data Protection Policy .

These Terms and Conditions may be amended. It is your responsibility to read them regularly as the applicable Terms and Conditions at the time you are using the website or at the time of forming the Contract (as is defined below) will be the ones to be applied.

If you have any questions in relation to the Terms and Conditions of Purchase or the Personal Data Protection Policy , please visit our website or communicate with us through the contact form .

### 2. OUR DETAILS

The sale of products under the brand name, PULL & BEAR, through this website is undertaken by "PULL AND BEAR HELLAS SINGLE MEMBER S.A.", a Greek company with its registered base in Athens, at no. 59 Stadiou Street, and tax registration number 094508587/of the Athens Tax Office for the Commercial companies..

### 4. USE OF THE WEBSITE

When you use this website and/or place any order through it, you are declaring that you have read and accepted the Terms and Conditions of this text without reservation and are being bound to the following:

- a. To use this website only to submit legitimate questions and orders.
- b. Not to make speculative, false or fraudulent orders. If we reasonably consider that such an order has been placed, we have the right to cancel it and inform the competent authorities.
- c. You are also obliged to provide us with your correct e-mail and postal address and/or other contact details, and you are agreeing that we may use these data to communicate with you if necessary (see our Personal Data Protection Policy).

If you do not give us all the information we need, we will not be able to process your order.

When you place an order through this website, you are declaring that you are over 18 years of age and that you are legally in a position to enter into contracts.

### 5. AVAILABILITY OF SERVICES

The articles that are offered on this website are only available in Greece.

If you wish to order products from this website from another European Union market other than Greece, you are welcome to do so. Nevertheless, the products that are ordered can only be delivered to a Pull & Bear shop or to an address located in Greece.

### 6. HOW THE CONTRACT IS DRAWN UP

The information that is referred to in this text and the data that is contained on this website do not constitute an offer for a sale but a negotiation offer. There will be no contract between you and us regarding any product until we have explicitly accepted your order. If your offer is not accepted, any amount that has been charged to your account will be refunded to you in full.

To place an order, you must follow the online purchase procedure and click on "PAYMENT APPROVAL". You will then receive an e-mail as a receipt of your order (the "Order Confirmation"). Please bear in mind that this does not mean that your order has been accepted as it is an offer that you are making to us to purchase one or more products. All orders are subject to our acceptance, for which you will be informed by an e-mail, in which we will confirm that the despatch of the product has commenced ("Despatch Confirmation"). The product purchase contract between us (the "Contract") will only be validated after we have sent you the "Despatch Confirmation".

The Contract will apply solely for those products listed in the "Despatch Confirmation". We are not obliged to provide you with other products that have not been ordered until their despatch is confirmed with a separate "Despatch Confirmation".

### 7. AVAILABILITY OF PRODUCTS

All orders of products are subject to their availability and if difficulties arise relating to the supply or if there is no stock of any of our products, we will refund any amount you have paid to you.

### 8. REJECTION OF AN ORDER

We reserve the right to withdraw any product from this website at any time and/or to remove or change any of its material or content. Although we make every possible effort to fulfil all orders, extraordinary circumstances may arise forcing us to refuse to fulfil an order after we have sent the "Order Confirmation", and we reserve the right to do so at any time and at our discretion.

We do not bear any responsibility to you or to any third party for the withdrawal of any product from this website, regardless of whether the product has been sold or not, as well for the removal or modification of any of the website's material or content or for the refusal to fulfil an order after you have been sent the "Order Confirmation".

### 9. DELIVERY

Except as provided in clause 7 above, and unless exceptional circumstances arise, we will endeavour to send you the order consisting of the product or products mentioned in each "Despatch Confirmation" before the delivery date which appears in the relevant "Despatch Confirmation", or if no delivery date is mentioned, within 15 days of the date of the "Despatch Confirmation".

Delays may occur for the following reasons:

Personalisation of products, Specialised products, Unforeseen circumstances or Point of delivery .

If for any reason we are unable to adhere to the delivery date, we will notify you of the circumstances accordingly and offer you the option to continue the purchase by specifying a new delivery date or of cancelling the order with a refund of the entire amount paid. Keep in mind that deliveries never occur on Saturdays or on Sundays.

For the purposes of these Terms and Conditions, delivery will be deemed to have been carried out or that the product or products have been delivered when the relevant form has been signed at the agreed delivery address.

If for any reason we are unable to adhere to the delivery date, we will notify you in relation to this and will offer you the option to continue the purchase by specifying a new delivery date or, otherwise, to cancel the order with a refund of the entire amount paid. Please bear in mind that we do not make deliveries on Saturdays or Sundays.

For the purposes of these Terms and Conditions, the "delivery" will be deemed to have been carried out or that the order has been delivered at the moment the order receipt has been signed at the agreed delivery address.

10. INABILITY TO DELIVER

If after two attempts, we were able to bring you your order, we will try to find a safe place to leave the package. We will leave you a note indicating where your order is located and what you need to do to receive it. If you are not at the delivery site at the agreed time, please contact us to arrange another day .

If 15 days have elapsed since your order was ready for delivery , without having been delivered yet for reasons not attributable to us, we will consider that you want to cancel the Contract and consider it to have been dissolved. As a consequence of the cancellation of the Contract, we will refund the price paid for the products in question as soon as possible and in any case within 30 days of the date upon which we will consider the termination of the Contract to have occurred. In these cases, we will be entitled to charge you any delivery costs and the costs of cancelling the Contract.

11. RISK AND OWNERSHIP

You will be responsible for the products from the moment that they are delivered.

The ownership of the products will pass to you either when we collect the entire payment of all relevant amounts due, including the despatch costs, or at the time of delivery (as is defined in clause 9 above), if this occurs later.

12. VALUE AND PAYMENT

The value of the products will be that defined on our website, except in the case of an error. Although we take care to ensure that all the prices appearing on the website are correct, errors may occur. If we discover an error in the price of any of the products you have ordered, we will notify you as soon as possible and we will offer you the option to re-confirm your order at the correct price or to cancel it. If we are unable to contact you, the order will be deemed to have been cancelled and you will be refunded the full amount you paid.

We shall not be obliged to deliver the product or products to you at an incorrect lower price (even if we have already sent the "Despatch Confirmation") if the price error is obvious and could reasonably have been perceived by you as having been incorrect.

The prices on the website include VAT , but not the delivery costs, which will be added to the total amount due, as stated in the Despatch Costs' guide.

The prices may change at any time but will not affect orders for which we have already sent you a "Despatch Confirmation", except for any of the applicable provisions mentioned above.

Once you complete your purchases, all the products you want to buy will be added to the "YOUR PURCHASES" section and the next step will be for you to place the order and pay . To do this:

1. Click on the "YOUR PURCHASES" button at the top of the page.
2. Click on the "SHOW PURCHASES" button.
3. Click the "PROCESS PURCHASE" button.
4. Fill in or check the contact information, the order details, the address to which you want your order to be sent, and the address to which we can send the retail-sale receipt.
5. Fill in your credit card details.
6. Click on "PAYMENT APPROVAL".

You can pay with Visa, MasterCard and American Express credit cards and by PayPal. To minimize the possibility of unauthorised access, your credit card data will be encrypted. After we receive your order, we will request pre-approval of your credit card to make sure that the credit balance is sufficient to complete the transaction. The value of the purchase will be charged to the card as soon as your order leaves our warehouses. If you pay by PayPal, the charge will be made when you confirm your order.

You can also pay all or part of the value of your order with a PULL & BEAR gift card or credit voucher, which can be issued by PULL AND BEAR HELLAS SINGLE MEMBER S.A.

By clicking on the "PAYMENT APPROVAL" tab, you will be confirming that the credit card is yours.

We use conventional technical means to ensure that the payment occurs securely .

The credit cards will be subject to verification and approval procedures by their respective issuers. However, if the issuer does not approve the payment, we accept no responsibility for any delays or delivery failure and we will not be able to enter into any Contract with you.

Orders via online devices available in stores and how to pay for these orders

If you place an order through one of the electronic devices available for this purpose in certain PULL & BEAR shops in Greece, you must follow the purchasing procedure steps that appear on the device by completing or verifying the information requested at each step. You can modify the details of your order during the purchase procedure, before the payment stage. You must choose the payment method and whether or not you want a gift receipt (if this option is available) before submitting your order definitively. Please note that at the time

you click on the "Payment Approval" button on the device's screen, your order becomes binding and you are obliged to pay for it.

Payment can be made with Visa, Mastercard and American Express credit cards, and the above formalities apply for validating and approving your card. You also have the option to pay for your order at the store's cash desk, in which case payment can be made using all forms of payment that are available at the shop.

### 13. VALUE ADDED TAX

According to the applicable rules and the legislation, all purchases made through this website are subject to value added tax (VAT). In this context and in accordance with Chapter I of Title V of Directive 2006/112/EC of the European Council of 28th November 2006 relating to the common system of value added tax, as this has been incorporated in the Greek VAT Code, the place of supply will be considered as being the member state of the address where the products are to be delivered (i.e., Greece), and the VAT rate applicable in Greece will be applied.

### 14. CHANGES AND RETURNS POLICY

According to the applicable regulations, if you enter into a contract as a consumer, you may cancel it at any time within 14 calendar days from the date of the order (unless the subject of the Contract is any of the products for which the right to cancel does not apply, as is mentioned in clause 14.3 below). Gift card returns are governed by the relevant Terms of Use of Gift Cards.

In this case, you will be refunded the amount that you have paid for the products in question. When the return is not made through the free return methods mentioned in clause 14.3 below, you will be charged with the direct costs of returning the product to the original place of delivery.

You may exercise the right to cancel in any legitimate manner, which in any case will be deemed to be lawfully exercised by sending the cancellation document that we provide you with or by the return of the products.

This provision does not affect your rights.

Apart from the legal right of consumers and users to cancel as stated in clause 14.1 above, we grant you a period of 30 calendar days from the date of the Despatch Confirmation to return the products (except those mentioned in clause 14.3 below, which are excluded from the right to cancel).

In the case of a return, you will be refunded the amount you paid for the returned products. When the return is not made through the free return methods mentioned in clause 14.3 below, you will be charged with the direct costs of returning the product.

You are obliged to exercise the right to cancel by sending us the cancellation form we provide you with or by returning the products.

You do not have the right to cancel the Contract whose subject is the purchase of any of the following products:

. Music CDs / DVDs without their original packaging.

. Underwear

The right to cancel the Contract will apply only to products that are returned in the same condition that they were in when you received them. Please return the products using or including the original packaging. You should also include all original packages, the labels, the instructions, the documents and the product wrappers. In every case, you must send the product for return together with the return form you received during delivery, duly completed. No refunds are made when the product has been used after it was opened or if it has been damaged. Consequently, you must exercise reasonable care for as long as the products are in your possession.

Changes are made only with the same product, of a different size or colour.

When you receive the Despatch Confirmation, you will also be provided with a summary in relation to the exercise of the cancellation right.

You can return any product to any Pull & Bear shop of the market where the product was purchased or to a courier that we shall have arranged.

#### a) Returns to any PULL & BEAR shop

You can return any product to any Pull & Bear shop (apart from the outlet shops) of the market to which it was delivered and that has the same department to which the goods you want to return belong. In this case, you must come to any of these stores and deliver the item together with the Return Form (herein after to be referred to as the "form") that you received upon the delivery of the product, duly completed.

#### Returns of products ordered via electronic devices available in shops and paid at the shop's cash desk.

Please note that with regard to orders placed via an electronic device at one of Pull & Bear's shops in Greece and paid for at the store's cash desk, the return of the products can only be made at Pull & Bear shops in Greece and not in the manner directly below 'b' or in any other way.

#### (b) Return by Courier

In order to return the product or products via a courier that we designate, you must contact us through the online form on our website to arrange for the collection of the product from your home. You should send the product in the same package that you received it in with the following instructions as they are mentioned in the "RETURNS" section of this website.

None of the above options will cause you additional costs.

If you do not want to use either of the two available ways, you will be responsible for the return costs. Please bear in mind that if you want to return the goods to us in a way that the return cost is paid at the destination, we have the right to charge you any costs that may arise.

We will examine the returned item and let you know if you are eligible for a refund. Reimbursement of the amount will be made as soon as possible and, in any case, within 30 days of the date of the cancellation notice. The refund of the amount will be made using the same means of payment that was used for the purchase.

If you have any questions, you can communicate with us using the contact form or by calling 0800 441 468 05.

If you believe that the product you ordered does not meet the terms of the Contract, you must immediately communicate with us through the contact form, informing us of the product details and of the damage it has suffered. Alternatively, you can telephone us on 00800 441 468 05 to receive instructions from us.

You can return the products to any Pull & Bear shop (except outlet shops) of the market to which the product was delivered or to the courier that we will designate.

After receiving the returned product, we will examine it thoroughly and notify you by e-mail within a reasonable time if you are entitled to change the product or to a refund. The refund or replacement of the product will occur as soon as possible and whatever happens within 30 days of the date that we confirm by e-mail that you are entitled to a refund or replacement of the unsuitable product.

In the event of a defect, the amounts paid for defective products will be refunded in full, including the delivery costs arising from the despatch of the item to you. The refund will be made using the same means of payment that was used for the purchase.

This provision does not affect the rights covered by the applicable regulations.

Right to cancel and return products ordered from abroad

If you have ordered products through this website from another European Union market outside Greece, the above details apply for the returns with the restriction that the returns via a courier that we designate can only be made from the original address in Greece where the product was delivered to.

At the same time, we would like to inform you that we are not obliged in any way to pay the shipping costs when the place of return is different from the original delivery address or the costs of the return if the place to which the item is to be returned to is outside Greece (except in the case of defective products, in which case this term does not apply).

Our waiver from any omission to fulfil any act will not constitute a waiver of any other omissions to fulfil any act arising from the Contract or the Terms and Conditions.

No waiver by us of any of these Terms and Conditions or any rights or legal remedies arising from this Contract shall be valid unless it is expressly stated that this is a waiver and communicated to you in writing in accordance with the provisions of the paragraph that refers to the above notifications.
